

VHA Signs Agreement with UNITED AUDIT SYSTEMS, INC.  
(UASI) For Health Information Management Coding and Compliance Services

CINCINNATI, Ohio- UNITED AUDIT SYSTEMS, INC. (UASI) leading provider of Health Information Management Coding and Compliance Services, today announced it has signed an agreement with the national healthcare alliance, VHA, Inc. to provide coding and compliance solutions. UASI has worked with numerous VHA members to measure and insure the highest quality coding accuracy and the quickest turnaround for outsourced coded records.

“We are pleased and honored to continue our relationship with an alliance of leading healthcare organizations in VHA” said Ty Hare, President and CEO of UASI. The agreement represents a continuation of the contract initiated three years ago. During that time UASI has established numerous client relationships, as well as, consistently high marks for quality service.. UASI also offers all VHA hospitals a complimentary webinar series to explain the annual changes in In-patient and Out-patient reimbursement systems.

UASI’s full spectrum of Health Information Management products and services are available through the contract. These include Valicode STAT and Valicode @ Home, remote coding solutions that feature the UASI remote coding technology platform and either the coders of the hospital or UASI, Consulting Services for measuring, educating and improving DRG and APC code assignment and Health Information Management operations, QC Suite Compliance management software suite to perform continuous pre-bill screening of cases most at risk for compliance issues.
